EDGAR MARIANO LAZ TERÁN

COMPUTER AND INFORMATICS ENGINEER

PROFILE

I am a professional who seeks to grow in his career by finding better ways to do my job and to make it easier by finding solutions that help others.

I like to optimize and work hard in order to meet the objectives and goals that are proposed or imposed on me.

Continuing to learn and train myself is something I do a lot, which has served me in the jobs I've had and I'm sure it will continue to serve me.
