

Edgar Mariano Laz Terán

FULL STACK DEVELOPER

Guayaquil, Ecuador · [linkedin.com/in/edgarlteran](https://www.linkedin.com/in/edgarlteran) · github.com/edgarguitarist · edgarguitarist.github.io · edgarguitarist+contacto@gmail.com · +593 98 268 6560

Full Stack Developer with 7+ years of experience in web and mobile development. I have collaborated with national and international companies, delivering high-quality digital products with Angular, React, .NET, and Node.js. I stand out for my adaptability, technical leadership, and commitment to continuous growth and innovation, building systems that make a real impact on people's daily lives.

PROFESSIONAL EXPERIENCE

Agrosoft Latam

Software Developer

Guayaquil, Ecuador

Nov 2025 – Jun 2026

- Developed an ERP system with Angular, .NET 8 (C#), and Microsoft SQL Server.
- Leveraged AI tools to accelerate software development and legacy migrations.

TeamQ Deutschland UG

Senior Frontend Developer

Remote · Erfurt, Germany

May 2024 – Sep 2025

- Built high-performance web systems with Angular 17 and Tailwind CSS, improving user experience and the efficiency of internal processes across multiple entities.
- Led code-optimization and best-practices initiatives within the frontend team, driving the adoption of new technologies and agile methodologies.
- Wrote unit tests across projects to ensure quality and maintainability.

Bitekso S.A.

Lead Software Developer

Guayaquil, Ecuador

Mar 2022 – May 2024

- Led a team of developers across several projects for public-sector entities.
- Bridged communication between technical teams and clients to ensure successful delivery.
- Implemented web systems with Angular, Node.js, React, Express, SQL Server, and PostgreSQL.

Freelance

Full Stack Web & Mobile Developer

Guayaquil, Ecuador

Dec 2019 – Present

- Build web systems and native mobile apps for clients across various industries using PHP, JavaScript, TypeScript, Angular, React, Tailwind CSS, Node.js, Astro, PostgreSQL, SQL Server, MySQL, Java, and Kotlin.
- Deliver tailored solutions that improve clients' business processes, integrating AI technologies for process automation and multimedia content generation.
